ORIENTATION

How to use this log

Book Records

One page per book. Rate the yearning, the spice and the ending, and note the moment you had to put the book down and stare at a wall.

Trope Tracker

Tick a trope every time you finish a book that uses it. By December you'll know exactly what you can't resist.

Spine Shelf

Colour one spine for each book you finish this year.

TBR & Wishlist

For the books you've been meaning to read and the ones you want next.

Printing

Print at 100% / Actual size. Prints well on plain paper; 32 lb (120 gsm) paper takes pens better. Print the Book Record page as often as you like for personal use.
